PRESIDENT'S MESSAGE

Sameh (Sam) A. Labib, MD, FAAOS, FAOA

Dear Colleagues,

One thing we can all agree on is that there are simply too many orthopaedic meetings to attend!

So, what makes the Eastern Orthopaedic Association's Annual Meeting not only stand out, but thrive year after year? I believe the answer is simple: The EOA's meeting is about more than orthopaedics – it's about education, scholarship, fellowship and creating lasting memories with friends and family.

Education and Scholarship

At the heart of the EOA's Annual Meeting is our commitment to high-quality education and research. For many residents and fellows, this gathering is their first opportunity to present research at a national meeting, within a supportive environment to share their work, receive feedback and build lasting professional relationships.

For all attendees, the program delivers practical, up-to-date knowledge that can be taken directly back to the operating room, clinic and practice.

The strength of our scientific program is reflected in the following features for this year:

- 1,234 abstract submissions across all categories
- 212 total presentations, including 195 Rapid-Fire presentations
- 119 E-posters
- 17 award presentations, including 25 Named Award recognitions

This wide range of presentations underscore both the academic strength of the EOA and the strong commitment of our members to advancing orthopaedic knowledge and care.

Fellowship and Networking

The EOA's meeting has always been about more than our scientific program. Our meetings are defined by a special sense of camaraderie – an opportunity to reconnect with longtime friends and colleagues, meet new members, and bring our families together. (More than 700 orthopaedic professionals and their family members typically attend.)

It's a chance to learn together, celebrate together, and simply enjoy being together.

The relationships developed through the EOA are among the most valuable benefits of our organization, and these friendships often extend well beyond the meeting itself to become lasting professional and personal connections.

Great Venues, Great Experiences, Lasting Memories

And, of course, the EOA knows how to choose a great destination!

This year will be no different. Our 2026 Annual Meeting will be held at the Fontainebleau Miami Beach, providing an exceptional setting for our members and families. With the energy and attractions of South Beach, an idyllic oceanfront setting, outstanding food and libations, and a full slate of social and family-oriented activities, there will be something for everyone to enjoy.

We want our members to leave the EOA's meeting with more than CME credits and new information – we want them to leave with cherished memories.

As your 56th President, I am incredibly proud of what the EOA represents. We are committed to maintaining the high academic standards that have defined our organization, while continuing to foster the fellowship, inclusivity and the family spirit that make the EOA so special.

Come to our meeting for education. Stay for the fellowship. Leave with lasting memories.

I look forward to seeing you at the 2026 EOA Annual Meeting this October in Miami Beach!

Warm regards,

Sameh (Sam) A. Labib, MD, FAAOS, FAOA
President of Eastern Orthopaedic Association

The EOA Mission

The purpose of the EOA shall be to promote, encourage, foster and advance the art of science and orthopaedic surgery and matters related thereto, and to establish a forum for free discussion and teaching of orthopaedic methods and principles among the members.

REGISTER TODAY FOR THE 57th ANNUAL MEETING

The Eastern Orthopaedic Association will have its next Annual Meeting from October 14-17, 2026, at the Fontainebleau Miami Beach in Miami Beach, Florida.

The EOA Annual Meeting is one of the leading meetings for orthopaedists practicing in the East. The Scientific Program being developed by the Program Committee is the most ambitious yet and will include timely reviews of practice-related procedures and clinical research findings in orthopaedic surgery through nationally recognized speakers and abstract presentations.

The Fontainebleau Miami Beach, situated on Collins Avenue is in the heart of Millionaire's Row, just 1.5 miles from the Art Deco District in South Beach and steps from the ocean. It's an oceanside palace with iconic service, ambiance, and style. Savor the ultimate Miami Beach experience in guest rooms and suites that effortlessly intertwine divine comfort and urban decadence.

Relax at Fontainebleau's poolscape, offering 11 distinctive pool experiences surrounded by luxurious and full-service cabanas. Be pampered at Lapis Spa, enjoy a service at the salon, or break a sweat in our pristine workout facilities. The award-winning restaurants at The Fontainebleau offer delightful menu innovations inspired by flavors from around the globe.

Tours and activities are being planned for all to enjoy at the meeting. The meeting will kick off with a Welcome Dinner and end with the always enjoyable EOA Jazz Band Reception and Founders Dinner. As usual there will be a spouses/guest hospitality area and golf. There will also be a kids' party on Friday and Saturday nights, so parents can participate in the evening meeting events.

PROGRAM CHAIR'S MESSAGE

Arjun Saxena, MD, MBA

Dear Fellow EOA Member,

¡Bienvenidos a Miami!

On behalf of the Eastern Orthopaedic Association, I'm excited to invite you to our 57th Annual Meeting! This year we return beautiful Miami, Florida – one of the organization's favorite locations – from October 14th – 17th, at the Fontainebleau.

In addition to a fantastic Scientific Program (offering a total of 19 CME credits), we have some great activities lined up for you and your family, including a Little Havana food tour, art deco cocktail tour, a Miami Harbor cruise and, as always, golf! Our Social Committee, led by Hala Malek, has put together an exceptional offering of events throughout the weekend, culminating on Saturday evening with our Founders' Dinner featuring our very own EOA Jazz Band.

Our 2026 Academic Program will feature symposia on current topics in areas such as sports medicine, periprosthetic fractures, ancillary income in practice and diverse practice models, along with a breakout session specifically for advanced practice providers. As always, the Program includes multiple "Rapid Fire" sessions, each of which highlight the latest emerging research in five minutes or less – a great way to brush up on lots of valuable new information in a condensed format, presented by some of the rising stars in the Eastern Orthopaedic region. This year we received over 1,200 abstracts, and the EOA is proud to feature over 200 speakers and moderators representing every state on the east coast, from more than 50 medical schools and practices.

The EOA's Annual Meeting is a great place to build new relationships and strengthen established ones. This year, we're proud to partner with the Residency Programs at both the University of Tennessee Campbell Clinic and the University of Miami as our Guest Programs, as well as the New Jersey Orthopaedic Society as our Guest State Society.

Your 19 CME credits can be obtained through attending our diverse symposia, Rapid Fire sessions and poster presentations, and computer stations will be available for EOA members to complete your required self-assessment exams as part of your maintenance of certification. In addition to CME credit, we are offering specialized training sessions in conjunction with some of our industry partners. Stay tuned for more information on these opportunities.

I'm grateful to our EOA President, Dr. Sam Labib, our Program Committee, our Board of Directors, Data Trace Management Services and our industry sponsors for their support in making this year's meeting one to remember. I'm looking forward to seeing you at the Fontainebleau in October!

2026 PROGRAM COMMITTEE

The Eastern Orthopaedic Association gratefully acknowledges these orthopaedic surgeons for their contribution to the development of the Scientific Program:

Arjun Saxena, MD, MBA, Program Chair
 Joshua A. Baumfeld, MD, MBA, FAAOS
 Matthew L. Brown, MD
 Xinning (Tiger) Li, MD
 Ajay Premkumar, MD
 Adam J. Rana, MD
 Alex E. White, MD

SOCIAL ACTIVITIES AT THE ANNUAL MEETING

The Eastern Orthopaedic Association's Social Committee has worked closely with the EOA Board to make the 57th Annual Meeting an enjoyable and memorable one for all who attend.

Highlights of the Tours and Activities during the meeting include the following:

Little Havana Food Tour | Miami Harbor Cruise | Art Deco Cocktail Tour | Golf Tournament at Miami Beach Golf Course | Jungle Island & Animal Encounter | Vizcaya Museum & Garden Tour | Biscayne Bay Snorkeling | Wynwood Wall & Art Tour

The following are free to all registered attendees of the conference:

Spouse/Guest & Child Hospitality with guest speakers, **Chef Shahir Massoud** on Thursday, Howard Steel Lecturer **Damon West** on Friday, and a charity activity on Saturday | Welcome Dinner | New Member Reception | Exhibitor Reception | Children's Movie Night with Dinner and Crafts on Friday and Saturday so that parents are free to attend the evening events.

The Meeting will be brought to an end with an unforgettable Saturday evening Gala. The EOA

Jazz Band will start the festivities during the reception, followed by a spectacular dinner and vibrant dance floor. Please visit www.eoa-assn.org to view the Preliminary Program for complete Meeting information along with tour and activity times, dates and prices.

Brian Rosenberg
Pauline Samuelsen
Claire Saxena
Lynn-Anne Schow
Roxanne Sheth
Ellen Westrich
Susan Wilk

Thursday, October 15

Meet Chef Shahir Massoud

Following breakfast, guests are invited to hear a talk by Chef Shahir Massoud. Based in Toronto, Canada, he became the culinary co-host of CBC's daily lifestyle show The Goods in 2016, and now works in food media, providing recipe development, food styling, writing services, and regularly appears on BuzzFeed.

Little Havana Cuban Food Tour

Taste a mix of innovative and traditional dishes while discovering Miami's Cuban community history, habits, music and lifestyle. Explore the oldest open-air tropical fruit market in Little Havana, visit a tobacco shop and take a lesson on how to roll a proper Cuban cigar and end the tour with a traditional, family-style meal in a hidden courtyard right on Calle Ocho (featuring traditional mojitos!)

"Miami Yesterday & Today" Harbor Cruise

Relax and enjoy a private tour aboard a vintage boat. Cruise back in time and learn the history of a once forgotten swamp and the inspirational people that made Miami what it is today. The cruise will take you up the Miami River, showcasing the rich history (as well as a look at some celebrity houses) - while cruising through the bay.

Art Deco Cocktail Tour

This tour is tailor-made for architecture, history and cocktail enthusiasts! Our knowledgeable guide will lead you on a captivating journey through the South Beach area, encountering remarkable Art Deco pieces, and

at select moments, indulge in three handpicked cocktails within the opulent lobbies of renowned Art Deco hotels.

Friday, October 16

Golf Tournament at Miami Beach Golf Club

Originally opened in 1923 as Bayshore Golf Course by visionary developer Carl Fisher, the beautifully restored Miami Beach Golf Club now stands as one of

South Florida's premier courses. The Golf Tournament will begin with a 1:30 PM shotgun start in a scramble format, for a relaxed and engaging afternoon on the course.

Botanical Jungle Island & Animal Encounter

Jungle Island is a tropical oasis that combines lush nature with unforgettable animal encounters. During this private VIP guided tour, your group will enjoy exclusive, hands-on experiences with some of the park's most beloved residents - including baby capybaras, lemurs, sloths, wallabies, tortoises, flamingos, and emus. Includes access to the Park, Playground & Treewalk Village after the tour.

Vizcaya Museum & Garden Tour

Explore the elegance and history of Vizcaya Museum & Gardens, a stunning waterfront estate in Miami. This guided tour offers a glimpse into the opulent lifestyle of the early 20th century, featuring a beautifully preserved villa filled with European-inspired art and furnishings. Stroll through the expansive formal gardens, adorned with fountains, sculptures, and lush tropical landscaping, all set against the scenic backdrop of Biscayne Bay.

Saturday, October 17

Biscayne Bay Snorkeling Excursion

Discover the beauty of South Florida's underwater world on a guided snorkeling adventure to the Florida Reef Tract, just minutes offshore. Keep an eye out for sea turtles, rays, tropical fish, and more as you snorkel two unique reef sites. Perfect for all experience levels, this outing offers a fun and accessible way to experience one of North America's most remarkable reef ecosystems.

Open Wynwood Wall & Art Tour

Explore one of Miami's most dynamic neighborhoods on a guided Wynwood Art Walk. Led by an expert guide, you'll discover the artists behind the work, learn about the techniques used to create these large-scale pieces, and gain insight into the deeper meaning behind the art.

EOEF PRESIDENTIAL GUEST SPEAKER Annunziato Amendola, MD, FAAOS

We are excited to have Dr. Ned Amendola as the 2026 Presidential Guest Speaker.

Dr. Amendola is currently the Virginia Flowers Baker Distinguished Professor of Orthopaedic Surgery, Chief of the Sports Medicine Division, and Executive Director of the James R. Urbaniak Sports Sciences Institute at Duke University. In addition, he is the Head Team physician and Chief Medical Officer for Duke Athletics.

He has been involved as a member and a leader in many orthopedic and sports medicine organizations, including most recently on the Board of Trustees of OREF and Past President for the American Orthopedic Society for Sports Medicine. He has been a member of the Board of Directors of AAOS, ABOS, AOSSM, AANA, ISAKOS, and Past President of the Canadian Academy of Sport and Exercise Medicine.

Throughout his career, Dr Amendola has focused on improving the quality of orthopedic care through clinical practice, education, and research. He has always appreciated teaching and learning from many students, residents, and fellows over his career. He has received numerous peer-reviewed grants, and published over 300 peer-reviewed articles, as well as authored an extensive number of book chapters and editor of 8 textbooks in sports medicine, foot and ankle, and arthroscopy. Dr. Amendola has earned numerous research related awards including Kappa Delta Award from the AAOS in 2012 and 2019 and Excellence in Research Award, Cabaud and O'Donohue awards from the AOSSM.

JAZZ BAND UPDATE | Come join the fun and play with the EOA Jazz Band at the Annual Meeting. If you are interested in participating, please contact EOA at info@eo-assn.org.

FUTURE MEETINGS

57th Annual Meeting
October 14-17, 2026
Fontainebleau | Miami Beach, FL

58th Annual Meeting
October 20-23, 2027
JW Marriott | Nashville, TN

HOWARD STEEL LECTURER Damon West

The EOA is pleased to welcome author Damon West, as the 2026 Howard Steel Lecturer.

Damon West, M.S. Criminal Justice, is a college professor, internationally known keynote speaker and 3x bestselling author. His bestselling business book, *The Coffee Bean: A Simple Lesson to Create Positive*, was listed by in the "Top Twenty Books You Need to Read to Crush Change 2020."

At 20 years old, he was a Division 1 starting quarterback at the University of North Texas, when he suffered a career ending injury. He turned to hardcore drugs to cope with the disappointments of life. After graduation, he worked in the United States Congress, was a national fundraiser on a U.S. Presidential campaign and eventually trained to be a stockbroker for United Bank of Switzerland (UBS). One day at UBS, he was introduced to methamphetamines; he became instantly hooked—and the lives of so many innocent people would forever be changed by the choices he made in order to feed his insatiable meth habit.

After a fateful discussion during his incarceration with a seasoned convict, Damon had a spiritual awakening. He learned that, like a coffee bean changing with the application of heat and pressure, he was capable of changing the environment around him. Armed with a program of recovery, a renewed faith, and a miraculous second chance at life, Damon emerged from over seven years of prison a changed man. His story of redemption, grit and determination continues to inspire audiences today.

Today, Damon lives a life of recovery and service, sharing his story all over the world. Of all the hats Damon wears, however, the two most important to him are being a husband to Kendell and a stepfather to Clara.

SCIENTIFIC PROGRAM HIGHLIGHTS

Thursday, October 15, 2026

SYMPOSIUM 1

Periprosthetic Hip and Knee Fractures

RAPID FIRE SESSION 1A-1E

Total Knee, Total Hip, Shoulder and Elbow, Hand and Wrist & Foot and Ankle

GENERAL SESSION 1

Presidential Guest Speaker: Dr. Ned Amendola

CONCURRENT SYMPOSIA 2A-2B

Shoulder: Updates on New Techniques

Hand Surgery Outside the Operating Room

EASTERN ORTHOPAEDIC EDUCATION FOUNDATION

Eastern Orthopaedic Education Foundation would like to acknowledge the generous support of our 2025 contributors. The continued ability for EOA to fund special speakers and Resident/Fellow Awards for the Annual Meeting is due in large part to the generous donations by EOA members and nonmembers to EOEf. Thank you for your support!

Contributions for the Eastern Orthopaedic Education Foundation (EOEF) are strong and continue to grow. Every year the EOEF provides funds to EOA for educational projects at the Annual Meeting and opportunities for Residents and Fellows.

To make your tax-deductible contribution to the EOEF, please scan the QR code, go to www.eoa-assn.org/eof or simply mail your check to the EOEF today. Make checks payable to EOEF and mail to 110 West Road, Suite 227, Towson, MD 21204.

We appreciate your continued support of the EOEF and would like to thank you for your generosity this past year. If you haven't contributed to EOEF previously, please start this year and make it an annual tradition.
